Nolita

Vintage chic

DESIGN
CMP Design, 2015

EN — Nolita is a family of outdoor seatings which recalls the origins of a historic course, started by Mario Pedrali in 1963 with his first metal garden chairs. The collection seems to arise from the memories of a sunny and lively square, a timeless place, giving birth to simple and iconic shapes.

IT — Nolita è una famiglia di sedute da esterni che rievoca le origini di un percorso storico, iniziato da Mario Pedrali nel 1963 con le sue prime sedie da giardino in metallo. La collezione sembra scaturire da ricordi in trasparenza, un'atmosfera senza tempo da piazza assolata e vivace, per un risultato di solida durevolezza in forme semplici ed iconiche.

Malmö

Nordic essence

DESIGN
CMP Design, 2012

EN — Malmö chairs are designed to fit in convivial spaces and they evoke warmth sensations thanks to the touch of ash wood, the tapered look and the appeal of tradition. Malmö collection consists of a plywood shell in ash wood that appears suspended, nearly floating, on a solid wood frame. The design elements appear in their purity, thicker in the joints and tapered in a natural way to offer lightness and elegance.

IT — Le sedute Malmö, pensate per essere usate in luoghi di convivialità, esprimono un tepore domestico grazie al piacere tattile del frassino, l'espressività delle forme tornite, l'affinità con un immaginario tradizionale. La collezione Malmö è costituita da una scocca in multistrato di frassino che appare sospesa, quasi fluttuante, su un telaio in legno massello.

Gli elementi strutturali appaiono nella loro pura costruzione, aumentando di spessore presso le connessioni ed affusolandosi in modo naturale a favorire leggerezza ed eleganza.

Sinuous elegance

DESIGN
Pedrali R&D, 2014

EN — Inga name pays tribute to the Northern European female elegance. The plywood shell in oak veneered has sinuous shapes. The Soft version outlines gentle and essential lines thanks to the padded shell and armrests.

IT — Inga deve il suo nome all'eleganza femminile nord-Europea. La scocca, realizzata in multistrato da tranciato di rovere, ha una forma morbida e sinuosa. La versione Soft presenta scocca e braccioli imbottiti, sottolineandone ulteriormente le linee dolci ed essenziali.

Folk

Now traditional chair

DESIGN
CMP Design, 2019

EN — Folk collection accentuates the quest for simplicity. Its friendly character, the warmth of ash wood, the soft and compact dimensions, human lines seamlessly convey the concept of a chair that speaks a universal language. The power of proportions is clearly evident in the time-tested forms, re-elaborated with the new possibilities offered by technology. The use of the cane seat guarantees visual lightness and maximum durability.

IT — La collezione Folk è il risultato di una ricerca della semplicità. Il carattere amichevole, il tepore del frassino, le dimensioni compatte, le linee morbide e umane sembrano trasmettere l'idea di sedia in un linguaggio universale.

La forza della proporzione si esprime in modo chiaro nelle forme consolidate dalla tradizione rielaborate con nuove possibilità tecnologiche. L'utilizzo della paglia di Vienna garantisce leggerezza ottica e massima resistenza.

Jamaica

Italian bohème

DESIGN
CMP Design, 2019

EN — Jamaica was inspired by Bar in Milan's Via Brera, a legendary hub for intellectuals and artists in the twentieth century. The elegance of this chair speaks of an age in which art, technology and the imagination came together to give a human face to the aesthetics of machines, reimagining a peaceful world with creative sociability. The result is a modernist collection which reworks the classic forms of the past with a contemporary edge.

IT — Jamaica si ispira al celebre Bar di via Brera a Milano, che fu ritrovo di intellettuali e artisti del secolo scorso. L'eleganza della seduta ci parla di un'epoca in cui l'arte, la tecnica e la fantasia sedettero a tavolino per dare un volto umano all'estetica delle macchine, per reinventare un mondo pacifico e una convivialità creativa. Il risultato è una collezione modernista che, guardando con ironia alla tradizione, reinterpreta le forme storiche del passato.

Osaka

Ideogram chair

DESIGN
CMP Design, 2015

EN — Osaka is a collection of seatings with a strong graphic impact whose construction elements remind the linear features of an ideogram. Besides the ash wood version, those with metal frame emphasize their functionality conferring a high degree of lightness.

IT — Osaka è una collezione di sedute dal forte impatto grafico i cui elementi di costruzione appaiono nella loro purezza e semplicità formale, come i tratti lineari di un ideogramma. Accanto alle versioni in frassino quelle con telaio in metallo esaltano l'approccio funzionalista, donando un effetto visivo di estrema leggerezza.
